Dr. S. K. Sharma

CEO SPEAKS

Greetings from Manav Vikas Sanstha !

There has been a lot to share what we are, what we do and what we plan to deliver in the times to come. We started in the year 2000 as a Society/Non-Profit organization registered by Government of Rajasthan and continued to add new disciplines in Skill Development, Health & Nutrition, Hygiene & Sanitation and Environmental arenas, with the motive “Transforming Lives, Transforming the Future” of needy people of our society.

We are a team smitten by the innovation bug & driven by an inexhaustible appetite for challenges. We have always had clarity of goals to ensure trust and most often kept beneficiaries' standpoint in mind while implementing the projects of various agencies, governments & corporates as a trusted partner.

Over a period of time, we have evolved from being beginners to doing front-line roles in the field and realized that people must have access to practical, skill based learning that works hand in hand with market demand.

On a holistic scale, we foster skill based education among youth and women of the marginalized communities through Ministry of Skill Development & Entrepreneurship (MSDE) to build pragmatic approaches to education. Highest number of RPL (Recognition of Prior Learning) training and more than 75% of placement of trained candidates done so far, substantiate our zeal towards objective. Also, we have been able to cater to needs of people in sectors like health, sanitation, water conservation, etc.

I believe it is important to have the mind of a corporate and heart of a not-for-profit. At the same time, I feel blessed that I command one of the best technical, professional, well educated and devoted team with supportive donors and wonderful partners.

Good Luck & God Bless

**CHANGE BEGINS WITH THE INDIVIDUAL,
IS MATERIALIZED GLOBALLY & SUSTAINED
BY THE INDIVIDUAL.**

Transforming Lives, Transforming the Future

ABOUT US

Manav Vikas Sanstha (MVS) is an ISO 9001-2015 (QMS) certified Jaipur based Society/ Non-Profit Organization having operations pan India. We adhere to all legal compliances like 12AA and 80G exemptions, required for undertaking CSR activities in the country. We are an organisation registered with NITI Aayog/NGO Darpan.

As a CSR Project Implementation Agency (PIA), we have worked with Indian Oil Corporation Ltd (IOCL), Indian Potash Limited (IPL), Haryana State Industrial & Infrastructure Development Corporation (HSIIDC), Container Corporation of India Ltd (CONCOR) and presently implementing CSR projects on skill development of Bharat Petroleum Corporation Limited (BPCL) in U.P. & Haryana & Indian Potash Limited (IPL) in Maharashtra and Uttar Pradesh. Manav Vikas Sanstha's CEO has been awarded "National Best CEO Award-2019" during 4th National NGO & CSR Summit 2019, Hyderabad. Also, as an acknowledgement of our efforts in implementation of skilling projects, MVS has been awarded "Best NGO-Skill Development" and SKOCH Award for "Skill Development Training". Manav Vikas Sanstha has been awarded Best Implementation Agency in CSR-2019 & Manav Vikas Sanstha's CEO has been awarded Lifetime Achievement Award in 6th National NGO & CSR Summit-2019.

OUR VALUES

AREAS OF INTERVENTION

WATER CONSERVATION

MVS understands the urgent need for extensive water conservation throughout the nation. Hence, MVS is actively involved in Watershed development projects for rural communities and the construction of Rainwater Harvesting Systems for rural households. MVS works at the ground level to mobilize communities and resources for better management of water resources.

We implement low-cost, sustainable solutions combining our technical expertise with traditional wisdom, to capture and store the rainwater (i.e. water harvesting). The harvesting structures are built using affordable materials available locally. Over the past years, using simple but highly effective and efficient harvesting structures, we have helped numerous communities with optimum utilization of the funding available.

OUR AREAS OF EXPERTISE IN WATER CONSERVATION INCLUDE

- Constructing & Establishing Roof Rain Water Harvesting Systems
- Implementation of Integrated Watershed Development Projects
- Building Tankas
- Pond Development
- Pond Rejuvenation
- Anicuts, Check Dams (Loose Boulder, Concrete, Gabion)
- Irrigation Systems
- Nadi Development
- Well Renovation

SKILL DEVELOPMENT

MVS is an Approved Training Partner of National Skill Development Corporation (NSDC). We are conducting trainings in sectors like Apparel, Agriculture, Automotive, Beauty

& Wellness, Construction, Domestic Workers Sector, Electronics, Food Processing, Handicrafts, Handloom, Healthcare, Infrastructure, IT & ITES, Logistics, Life Sciences, Power, Retail & Telecom. We are involved in both: Skilling & Up-skilling.

MVS has been conducting trainings funded by various government agencies including National Backward Classes Finance & Development Corporation (NBCFDC), National Scheduled Caste Finance & Development Corporation (NSFDC), National SafaiKaramcharis Finance and

Development Corporation (NSKFDC) and National Urban Livelihood Mission (NULM). Manav Vikas Sanstha is pioneer in conducting skill trainings for Nomadic Tribes in the country. MVS has been mandated for Cluster Development of Handloom & Handicrafts for artisans belonging to SC categories across the country, which is funded by the Ministry of Textiles, Government of India under DC (Handlooms) & DC (Handicrafts) schemes. Clusters development includes the establishment of Common Facility Centres and Training & Design Centres for skill development and backward & forward integration.

In addition to above, we are affiliated with several State Skill Development Missions as Training Partner such as Assam, Andhra Pradesh, Gujarat, Haryana, Himachal Pradesh, Madhya Pradesh, Maharashtra, Punjab, Tamil Nadu, Rajasthan, Uttar Pradesh, Uttarakhand etc.
